

## BCC BARONS V BLAKE BENGALS – September 20, 2010

On a crisp late summers night the BCC field hockey team travelled to Blake HS to take on the Bengals on their turf. BCC defeated Blake 2-1 on goals from Danielle Harkaway and Jenn Dewey. The 2 halves looked like 2 different games on this night, but unlike the Redskins, our Barons were able to hold on to the win at the end of the second half!

Alyssa Puritz played the first half in goal and had 3 nice saves, while Melissa Jaskiewicz played the second half with one save and one goal scored. The defense and offense were very strong the first half of the game, but did not seem to carry this same strength thru the second half of the game, but they all played strong enough together to maintain a win. Sofia Shoffner played well and earned Amy's apple for the game. Madisson Tully had a magnet on her stick and stopped multiple passes in mid air. Grace Reingruber played strong defense and also had several game changes attributed to her during the game. Rachel, Alicia Abby and Cristina all played tough on defense, while Hallie, Amy, Jenn, Julie and Danielle were strong on the front line. Rebecca, Laila, Sofia and Madisson are tough in the midfield and play well defensively as well as offensively.

Please come cheer on the game tonight at home against undefeated Walter Johnson at 7:00.
