

BCC 5 - Good Counsel 1

On a beautiful warm Fall evening, the excitement could be felt in the air as the BCC Barons took on the Good Counsel Falcons. The Barons proved they were the dominant team this evening. Jenn Dewey scored at the 27minute mark of the first half, and Grace Reingruber followed suit a few minutes later. In the beginning of the second half, Danielle Harkaway reached the back of the goal, followed by Madisson Tully and Hallie Jester. The Barons were clearly dominant in this game, and Alyssa Puritz had 2 saves the first half and Melissa Jaskiewicz had 4 the second half.

The team came together in this game as they had magnificent passes, well placed and an as usual in all of our games, a together defense. No one seemed to ever stand still. Rachel Natoli, Abby Frank, Alicia Veith, Christina Shoffner and assistance by Rebecca Natoli, Grace Reingruber and Madisson Tully on defense sure seemed to secure a strong win. The offense of Jenn Dewey, Danielle Harkaway, Hallie Jester, Julie Michon and Amy Barrett played top notch with many shots on goal between them. There were sound assists to teammates for the goals. The penalty corners still seem to be the puzzle this season, as 7 more were attempted with no success of a goal. This writer feels they will happen when most needed. This team steps it up when they know it is of utmost importance!
