

## BCC BARONS V WALTER JOHNSON – SEPTEMBER 22, 2010

On a very warm Fall evening, the BCC Field Hockey team was able to complete their game against WJ. The game had been postponed because of the storms the evening before. It was a tough beginning to the game with defense and offense working hard to keep the ball on the scoring side for the Barons. As typical of the Barons this season, there were many opportunities to score on the penalty corners. Seventeen to be exact in this game. On two fabulous strokes by Jenn Dewey in the second half, she managed to put it away for two goals, both received on perfect inserts by Rebecca Natoli. Thus, giving the Barons a decisive 2-0 win over their rival Walter Johnson. The Barons came out tough the second half working the Bulldogs defense hard. It was great to see the girls attacking the goal with shots that haven't been seen much this season. In this game, both the defense and offense played equally well to pull off a tough win against WJ. Alyssa Puritz and Melissa Jaskiewwicz blocked several shots apiece assisting in keeping the score a shutout against WJ.

Tonight the Barons will play against The Richard Montgomery Rockets on their field with the game start time of 7:00. Please come and cheer them on.
