Coordinator Clements's Comments

It's not too late to join us for Spring Break 2025. For more information, you can visit this website explorica.com/Clements-1520. We are also beginning to book our Spring Break 2026 trip to Peru. For more information, visit this site explorica.com/Clements-7190

It's hard to believe, but it is May and testing season is upon us again! There are so many resources to study for AP exams. Make sure you check out reviews posted by the College Board in AP Classroom. Many students find review videos on YouTube to be helpful.

One of our guest speakers, Adeena Mignona, an aerospace computer scientist, spoke about the importance of continuing education.

The 10th grade APPS English classes enjoyed a trip to AFI Silver Spring to continue learning about dystopian literature

APPS Student Spotlight

Vignesh Sundaram was elected as the Governor of Maryland Youth and Government. Vignesh's speech for candidacy included this impressive call to action- "I don't want to change Youth and Government. I want the youth change government." We can't wait to see how he inspires others around him to be that change.

In addition to his involvement in Youth and Government he is also on the debate team and makes his own felt hats and has an academic interest in economics and philosophy!

APPS Student Spotlight

Praneel Suvarna was elected as the 2024-2025 Student Member of the Board (SMOB) by a majority of his peers throughout MCPS. The SMOB is a voting member of the Montgomery County Board of Education. The SMOB is not paid, but does receive a \$25,000 college scholarship, Student Service Learning hours and one honors-level social studies credit.

Congratulations Praneel on this impressive accomplishment!

April Students of the Month

These students were selected by their teachers for their hard work, class participation, and their commitment to the values of the APPS program.

Justin Carlson is one of the hardest working seniors! He is heavily involved in Youth and Government and Mock Trial
