

The Cluster Projects are a joint effort between the Department of Health and Human Services, (MCDHHS), Montgomery County Public Schools, (MCPS), and other County agencies focused on maintaining and increasing stability for students whose families are in need of support

### WATKINS MILL CLUSTER SERVICES

#### SOCIAL SERVICES CARE COORDINATION

- Coordinate financial Security Resources (Food/SNAP) Temporary Cash Assistance (TCA)
- Housing stabilization support (eviction, rental assistance, utilities)
- Obtain Health Services (access to medical care, vision, hearing, dental) Employment and Legal support
- Access summer and recreational programs

#### EARLY CHILDHOOD CASE MANAGEMENT

- Coordinate Early childhood services
- Assist pregnant teens and young parents of infant and pre-school age children to connect them to community resources
- Train parents to promote healthy parent-child development and relationships.

#### BEHAVIORAL/ MENTAL HEALTH ACCESS AND SUPPORT

- Support families in gaining access to mental and behavioral health support
- Provide Assessments and referrals to services (individual/family therapy, support groups)
- Follow-up to ensure service connection and progress

#### REFERRAL PROCESS

A referral to the Watkins Mill Cluster Project can be obtained through:

- School Counselor
- Pupil Personal Worker (PPW)
- Parent Community Coordinator (PCC)
