# MIDDLE SCHOOL

Dear John Poole Middle School Families,

Welcome to the new school year! As the Parent-Teacher-Student Association (PTSA) at JPMS we are thrilled to embark on another exciting journey with you and your children. Our mission is to make every child's potential a reality by engaging and empowering families and communities to advocate for all children.

### **Join the Community**

We invite you to become an active member of our PTSA. Your membership not only strengthens our association but also provides you with a voice in school matters and exclusive updates on events and initiatives. By joining, you'll be among the first to receive important information about school activities, academic programs, and community events. Together, we can make a positive impact on our students' educational experiences.

### **Volunteer Opportunities**

Volunteers are the heart of our PTSA, and we are always looking for enthusiastic individuals to join our team. Whether you have a few hours to spare or can commit to a more regular role, your help is invaluable. We have a variety of volunteer opportunities available, including organizing events, assisting in the school building, and supporting our fundraising efforts. Your participation will not only enhance our programs but also offer you a chance to engage directly with the school community and support your child's learning environment.

### **Staff Appreciation**

Our dedicated staff works tirelessly to ensure that every student receives the best possible education. This year, we aim to express our gratitude and appreciation for their hard work and commitment. We will be organizing various events and initiatives to celebrate and acknowledge their efforts. We encourage you to participate in these events and join us in showing our teachers and staff how much we value their contributions.

### **Get Involved**

Getting involved in the PTSA is a wonderful way to stay informed and take an active role in your child's education. Your engagement helps us build a stronger, more connected school community.
