

Document Duplication and Delivery Service

Copy-Plus provides five-business-day service, from the day your order is submitted (prior to 3:00) to the day it is delivered.

Instructions for Using This E-Form:

1. Order code. This is a 3-digit code that you assign to each e-form. This will help us keep you updated on the status of your order.
2. School ID. This consists of the last three digits of your school ID. We need this to process your job.
3. MCPS E-mail Address. We need this in case we need to contact you regarding your job. (e.g., John_S_Doe@mcpsmd.org)
4. Submit Form Button. When using an MCPS computer, once you have clicked the submit form button, you will be directed to a page where you can then attach your files.
5. E-mail Subject Line. Please also include your need by date in the subject line of the e-mail. This will save valuable time.
Example of what the subject line should look like: Subject: 9/30

Please note that Copy-Plus does not fold, cut, make booklets, or print copies in color. For custom printing, contact egps@mcpsmd.org or call 301-279-3110.
