

# RECYCLING YARD WASTE

**It's easy  
to recycle your  
grass, leaves, and brush.**

- 1** When appropriate, place yard waste (grass, leaves, and brush) in paper or clear plastic bags.
- 2** Set the bags filled with yard waste aside in the designated area.
- 3** Use MAXIMO to place a work order requesting a special pick up.

Contact John Meyer, recycling manager, if you have questions or concerns about recycling at your school.

If you ever have questions about recycling,  
**CALL 240-314-4714**  
or email SERT at [recycling@mcpsmd.org](mailto:recycling@mcpsmd.org)
