# ***Athletic Booster Club vs. PTSA... what's the difference???***

## **What is the difference between the Athletic Booster Club and the PTSA?**

- The Athletic **Booster Club** supports all things “sports”... including the physical education department. We provide equipment for the students to use, maintain the athletic facilities that MCPS does not cover, and provide for additional equipment and items that improve the students’ athletic experience while at DHS.
- The **PTSA** is your voice at the school and with MCPS! We act as your advocate to ensure the students are getting the educational experience you desire. We organize and run the Post Prom Party as well as special events to educate and engage the community with DHS.
- These organizations both provide scholarships for their member students for higher education beyond DHS.

## **Why should I join both the Athletic Booster Club and PTSA?**

- This is the best way to support your student! Both organizations play a vital role in providing all DHS students with an improved education experience. Supporting both organizations provides funding for well-rounded students through academics, athletics, social and emotional programs.

## **What does all the money get used for?**

- **Athletic Booster Club:** Facility maintenance, new athletic equipment, facility and equipment improvements and upgrades; provides our students with new and modern equipment to improve their athletic experience, communicates the accomplishments of our students to the community, provides scholarships to our students for post-graduation
- **PTSA:** Provides staff appreciation events every month of the school year, informative speakers for students and parents, supports our students through advocacy, provides scholarships to our students for post-graduation, funds the entire Post-Prom Party, **and much more!**

## **What are the best ways I can support these organizations?**

1. Most importantly, become a member today!!! Your membership goes a long way when added up!
2. Use Amazon Smile when making purchases online; Amazon will make a contribution to our organizations whenever you make a purchase... without raising your prices and you still get Prime benefits!
3. Link your e-VIC card to DHS at [www.harristeeter.com](http://www.harristeeter.com) & we receive a portion of sales (Code 2729)
4. Order Honey Baked Ham before Thanksgiving, Winter, and Spring Breaks for pick-up at DHS. Check PTSA website for updates and the easy ordering link.
5. Participate in local restaurant fundraisers each month
6. Make donations of money, goods or services you can provide that can assist in our goals

## **How can I help with my time?**

We understand, most of us do not have time to volunteer. There are so many ways you can help... here’s a few ideas:

1. Come to our monthly meetings. They only take an hour each month. Get informed and educated on what our organizations are doing to help your students!
2. Help in the concession stand during sporting events. Even helping once during a season makes a difference.
3. Provide baked goods or store-bought treats for our staff appreciation events.
4. Help make our school look better! Donate a few minutes of time each year during our “campus beautification” days
5. Serve on one of many special committees to GET THINGS DONE! Post Prom Party, Spring Booster Party Fundraiser, Staff appreciation, membership, sponsorship, merchandise sales, concessions staffing, special events planning, scholarship team... the list goes on.
6. Join our boards to really make a difference
