Welcome to Honors English 10! One of our first units this fall will be “Learning and Unlearning.” What do you want to learn this summer? You could choose a new skill (like juggling, cooking, or photography) or a new topic you’ve always wanted to explore.

**Prompt:** Choose something new to learn. Document at least three sources that helped you learn it. Sources can include books, online articles, videos, classes, visits to specific places, or people. This fall, you'll explain (or teach!) what you learned to your classmates.

**Submission:** Write a one-page reflection sharing what you learned and how you learned it. List at least three sources at the end of your reflection.

**Criteria for success:** Your reflection should...
- explain your learning process
- show insight about how you learn
- include a list of at least three sources that helped you learn or reflect

Need some ideas? Here are a few to get you started.
